Unleash the artist in you with the right light

The Daylight Company was founded on the recognition that high quality lighting with optimal brightness and spread is vital to artists. Whether you are an artist working with watercolour, oils or pastels, a sculptor, or a graphic designer, we will have a light to suit your needs.

Techne Artist & Drafting Lamp (35000)

With a CRI of over 90, the high performance Techne Artist & Drafting Lamp enables you to achieve accurate colour matching.

The only lamp on the market that was truly designed for mounting on an easel, the Techne can also be attached to a drafting table, drawing board or a work bench. It comes with a universal easel metal clamp and a G-clamp for moving it from your easel to your drawing station. The arm allows a 360° shade rotation and 320° swivel. When working on an easel or at a table, the Techne lets you direct the light to the specific area you are working on for close-up precision and attention to detail.

Features

- Wide and even light coverage
- 3 brightness levels
- 360° shade rotation
- 320° shade swivel
- Universal easel clamp
- Drafting and drawing table G-clamp

 822 Lumens	30cm/12"  3 000 Lux

Drafting and drawing table G-clamp

Easel clamp included

Artist Studio Lamp + Stand (31375)

Our Artist Studio lamp provides maximum light output over the largest area

This exceptionally versatile light is perfect for working on medium, large or very large surfaces and objects. It is also ideal for large canvasses, murals and sculptures. The large aluminium shade clips onto the tall tripod stand and can be adjusted into any position. The shade is light for easy movement and a second lamp can be attached for additional shadow-free lighting. This sturdy stand can hold a second lamp with ease and without compromising stability.

Features

- Lumens: 1,800
- Lux at 30 cm: 5,000
- Colour temperature: 6,500 K
- CRI: 80+
- Energy consumption: 18W
- LED rated life (hours): 50,000
- Touch dimmer: no

LED give an even brightness

Touch dimmer: continuous dimmer with memory function

UnoLamp (N1410), (N1420), (N1430)

Boost your results with the right light

This slim, flexible table lamp has a modern design and sleek finish. UnoLamp's 28 high performance, energy efficient daylight LEDs provide high light output over a large area and are ideal for arts and crafts as well as reading. Choose from either a floor, desk or clamp base to best suit your needs.

UnoLamp Clamp (N1410)

Features

- Cable length 1.7 m [5.5']
- Energy consumption 6W
- Colour white
- 4 steps touch dimmer
- LED rated life (hours) 50,000
- Lumens 400 lm
- Lux at 30 cm: 1,145
- Colour temperature 6,000 K

UnoLamp Table (N1420)

Features

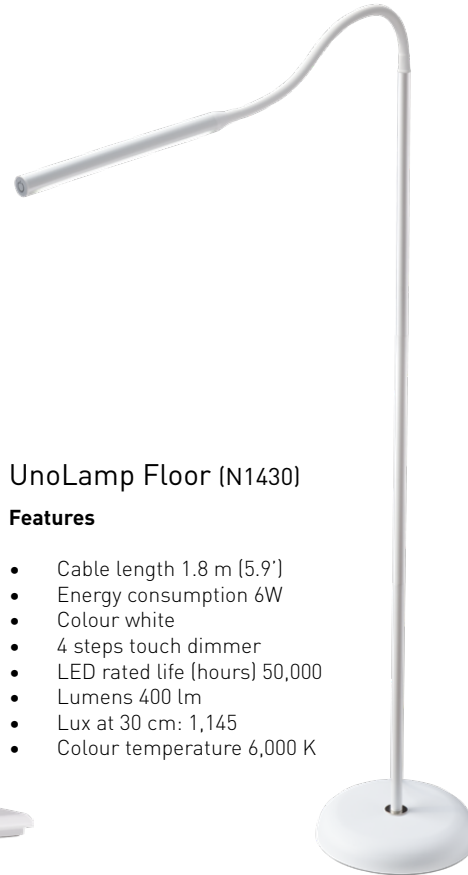

- Cable length 1.5 m [4.9']
- Energy consumption 6W
- Colour white
- 4 steps touch dimmer
- LED rated life (hours) 50,000
- Lumens 400 lm
- Lux at 30 cm: 1,145
- Colour temperature 6,000 K

UnoLamp Floor (N1430)

Features

- Cable length 1.8 m [5.9']
- Energy consumption 6W
- Colour white
- 4 steps touch dimmer
- LED rated life (hours) 50,000
- Lumens 400 lm
- Lux at 30 cm: 1,145

High light output over a large area

Flat and stable base

Touch switch dimmer with 4 brightness levels

DuoLamp (N1510), (N1520), (N1530)

Twice the light for your artwork

With two light sources, the DuoLamp fully illuminates workspaces, providing evenly distributed light for a variety of projects. It has two independently adjustable shades allowing high light output over a very wide area or an intense light over a small area. Our lighting is designed to be as close to natural light as possible, so you can be confident that you can see every colour as accurately as possible. Choose from either a floor, desk or clamp base to best suit your needs.

DuoLamp Clamp (N1510)

Features

- Cable length 1.7 m [5.5']
- Energy consumption 10W
- Colour white
- 4 steps individual touch dimmer
- LED rated life (hours) 50,000
- Lumens 700 lm
- Lux at 30 cm: 2,090
- Colour temperature 6,000 K

DuoLamp Table (N1520)

Features

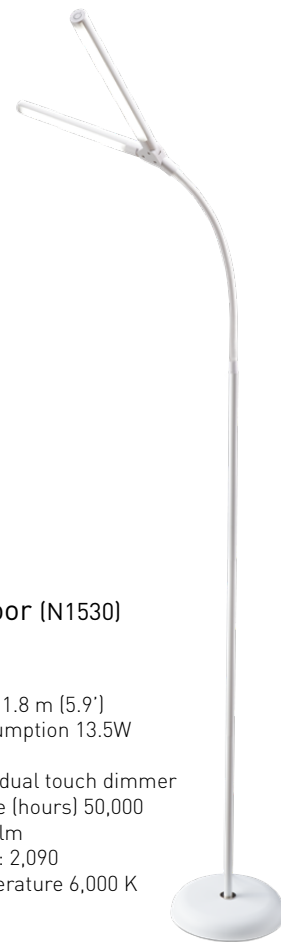

- Cable length 1.5 m [4.9']
- Energy consumption 10W
- Colour white
- 4 steps individual touch dimmer
- LED rated life (hours) 50,000
- Lumens 700 lm
- Lux at 30 cm: 2,090
- Colour temperature 6,000 K

DuoLamp Floor (N1530)

Features

- Cable length 1.8 m [5.9']
- Energy consumption 13.5W
- Colour white
- 4 steps individual touch dimmer
- LED rated life (hours) 50,000
- Lumens 700 lm
- Lux at 30 cm: 2,090
- Colour temperature 6,000 K

Dual shade increases the illuminated workspace

Flat and stable base

56 high quality bright LEDs provide accurate colour matching

Halo Magnifier 5D (25200) and 8D (25300)

Power your projects, at home or away.

Small but strong, the Halo Lamp Magnifier is perfect for projects requiring extra attention. LEDs circle the magnification lens for an even distribution of light and accurate colour matching while the powerful lens provides optimum magnification. Carry this compact companion anywhere, with its foldable design and lens cover.

Halo 5D (25200)

Features

- Folds flat
- Compact design
- 3 brightness levels
- 9 cm (3.5") diameter lens
- 5 dioptres magnification lens (2.25X)
- 12 dioptres magnification inset lens (4.0X)
- Weight 0.7 kg (1.5 lb)
- Colour white / silver
- Cable length 2 m (6.5')
- CRI 80+
- Light source LED
- Lumens 315 lm
- Lux at 15cm (6") 4,000
- Colour temperature 6,000 K
- Energy consumption 6W

Halo 8D (25300)

Features

- Folds flat
- Compact design
- 3 brightness levels
- 9 cm (3.5") diameter lens
- 8 dioptres magnification lens (3.0X)
- 20 dioptres magnification inset lens (6.0X)
- Weight 0.85 kg (1.9 lb)
- Colour white / silver
- Cable length 2 m (6.5')
- CRI 80+
- Light source LED
- Lumens 315 lm
- Lux at 15cm (6") 4,000
- Colour temperature 6,000 K
- Energy consumption 6W

Compact design folds flat

High contrast and accurate colour matching

3 brightness levels

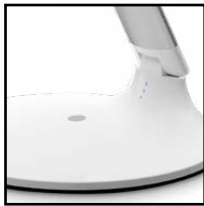

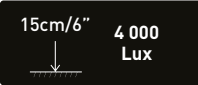

Halo Go Rechargeable Magnifier (25201)

No need for a power source, this lamp is perfectly portable

With a full charge, the USB rechargeable battery provides 8 hours of continuous brightness and uniform lighting. Carry this compact companion anywhere, using its foldable design and lens cover, and focus on the finest details with 5 dioptre (2.25X) magnification and a 12 dioptre (4.0X) inset lens.

Features

- 2 brightness levels
- Battery level indicator
- USB-Rechargeable battery
- 4 hours on full brightness
- Up to 8 hours of consistent & continuous brightness
- 5 dioptres (2.25X) with 12 dioptres (4.0X) inset lens
- CRI 80+
- Light source LED
- Lumens 315 lm
- Lux at 15cm (6") steps 1-2 4,000-2,000
- Colour temperature 6,000 K
- Energy consumption 5W

USB-rechargeable battery with level indicator

Compact design that folds flat.

Up to 8 hours of consistent & continuous brightness

Slimline Magnifying Arm (91707)

Turn your Slimline into a strong magnifier

Clip this magnifying arm onto the Slimline lamp stem for a sturdy tool for detailed work. The 13cm rimless diameter lens gives 1.75X magnification (3 dioptries) and its flexible arm allows for easy positioning. Use the Slimline Magnifying Arm to focus on intricate parts of your work without eye strain.

(91707) COMPATIBLE WITH:

Slimline 3 Table: (35108),
Artist Studio Lamp + Stand (31375)

Slimline Table Base (52107)

This slim Table Base is designed to complement the Slimline Table.

With the same brushed steel finish, this is an ideal accessory for when the lamp cannot be attached with its clamp. This base is not compatible when the Magnifying Arm (D91707) is attached to the Slimline table lamp (35108).

(52107) COMPATIBLE WITH:

Slimline 3 Table: (35108)

Professional Floorstand White (53060), Grey (53062)

High quality 5 spoke floorstand

A unique and robust design enhances stability and supports the heaviest Daylight lamp and magnifiers. Easy to assemble, the floorstand glides smoothly across any surface. Available in white and grey.

(53060) COMPATIBLE WITH:

(35500) Lumi Task Lamp

(53062) COMPATIBLE WITH:

(35600) Luminos Lamp

Professional Table Base (52080), (52082)

This heavy duty table base supports all Daylight lamps and magnifiers

Easy to assemble, this durable table base enhances stability and supports the heaviest Daylight products. Available in grey and white.

(52080) COMPATIBLE WITH:

(35500) Lumi Task Lamp

(52082) COMPATIBLE WITH:

(35600) Luminos Lamp

Daylight LED Bulb (15800)

Daylight LED bulb 18W (ES)

New high performing daylight LED bulb. The bright LED emits true daylight with 6,000 K; it instantly switches on to full brightness and uses approximately 80% less energy*. Get 15,000 hours** of bright, unbreakable daylight with our shatterproof LED bulbs.

Features

- Daylight (6,500 K)
- 1,800 Lumens
- CRI: 80+
- 18W = 115W Equivalent
- Uses 80% less energy*
- 15,000 hour life**
- 15,000 Switching cycles
- Non Dimmable
- 220-240V 50/60Hz
- Fitting Type: ES

**Approximate saving compared to an incandescent bulb

**15 years of light ~2.7 hours a day

(15800) COMPATIBLE WITH:

(31375) Artist Studio Lamp + stand

Customer Support

Our customers are at the heart of what we do and our dedicated Customer Service team is here to answer any queries you may have as rapidly as possible. We love hearing from our customers and learning about their experiences with our products so don't hesitate to get in touch with us. We look forward to hearing from you.

GUARANTEE

We aim to provide the highest quality products that exceed our customers' expectations. All Daylight products are guaranteed against manufacturing faults for 2 years from the date of purchase.
